S a e

Made for focused work or 1-1 meeting

This minimalistic pod acts as both a mini meeting capsule, or a quiet haven where you can concentrate in peace.

Key benefits of a Mute Pod:

Cost-effectiveness:

The purchase and installation of our pod is more economical than building a conference room.

Plug & Play:

Ready to use immediately after a quick and simple installation. Easy to move to a new location.

Sound Mastery:

Exceptionally high level of sound insulation developed and tested by acoustic experts.

Silent & Efficient Ventilation:

Keeping you comfortable during long meetings without disturbing your colleagues.
